COMPANY PROFILE

Established about a decade ago. Our Company is Enagaged into manufacture a premium quality of Builder Hardware. Quality comes first has always been the vision and reason of the company. The company manufactures all kinds of mortice door locks, pull handles, Mortice locks etc. in fascinating new designs and various spell bound finishes.

We use fully advanced Technology state-of-the-art plant casting, hot forging, sand & gravity casting, electrophoretic lacquer etc.

The Company makes sure that every single product manufactured meets all the standards set by the company. Innovative, fascinating door locks in mesmerizing finishes not only complement doors of the home but also secure them very well. The Products are being marketed under the brand name of "Relso" and are available across India through a nationwide network.
